HAVEN Cultivates New Relationships

HAVEN along with the help of several Oakland County-based organizations is beginning an exciting new garden project this year!!

This project will empower our community; increase food security and access to healthy food; and restore the beauty and ecological integrity of our space.

Our partners in this project include: The Michigan Young Farmer Coalition, ASKinyourface.com and Abundant Succession.

Building and maintaining a successful, productive and healthy garden requires the support of the community. We invite you to pledge your support as we endeavor to cultivate the health and vitality of HAVEN's residents, clients, staff and surrounding neighborhood.

Your contribution will directly improve individuals' access to fresh produce and provide an ecological classroom for responsible earth stewardship.

We have several sponsorship levels. To pledge your support [click here](#) or for more information please feel free to contact Beth Morrison at 248.334.1284.

Healthy Relationships

We all reserve the right to have violence free relationships. Healthy relationships are about equality and balance, and when one partner chooses to be abusive, that balance is off. Physical abuse is only one piece of the puzzle.

A **healthy relationship** is about:

- Respect, love and trust.

Fabulous at Fifty!!

Come and celebrate the 50th Birthday of HAVEN's CEO, Beth Morrison with a fabulous kitschy party at Trevarrow in Auburn Hills.

March is Women's History Month

The National Theme of Women's History Month in 2010 is "Writing Women Back Into History". This theme recognizes that fact that through-out history many achievements and accomplishments made by women were and continue to be overlooked in our history books.

At HAVEN, we urge you to share with your partner, children, family and friends stories of the women that have changed your life and your community and to check out www.womenshistorymonth.gov. today!
