DAISY TELLS A SECRET PREMIERE

HAVEN and Verizon Wireless would like to invite you to join us on October 8, 2009 at the Palladium 12 in Downtown Birmingham for the premier of *Daisy Tells a Secret*.

For the last few months, HAVEN has been working with Detroit's own One of Us Films to make an animated video called *Daisy Tells a Secret*-the story of a young girl that is sexually abused by her uncle and learns that it's ok to tell. The video will be used by our Prevention Education program to educate young people and their parents about body ownership and boundaries, as well as the difference between good secrets and bad secrets.

One of Us Films makes films of distinction, films with a conscience. Their film, *Regional Roots: The Birth and Evolution of Detroit and It's People*, was just awarded "Best Detroit Documentary" at the Ferndale Film Festival. From their

website: "One of Us Films was founded as a non-profit organization in 1995 to produce the fictional film *One of Us*. The intention of the film was to raise awareness about acquaintance rape. Since then, One of Us Films has remained committed to supporting efforts to eliminate domestic violence and sexual assault." This commitment is evident in the loving care they have put into *Daisy Tells a Secret*.

This project was made possible by Verizon Wireless. Please join HAVEN, and all of our partners, as we celebrate the premier of Daisy's new film. Children welcome.

There is no cost for this event, but seating is limited. Contact Diane Rowe if you would like to attend at drowe@haven-oakland.org or 248-334-1284 ext. 346

DETROIT LIONS 16th ANNUAL COURAGE HOUSE

This year the **Detroit Lions Courage House Dinner** will feature ESPN's **Mike Tirico**, October 13, at Ford Field. Tirico will be the guest speaker for the dinner that annually benefits **HAVEN**. Previous banquets have raised approximately \$1.5 million for HAVEN.

The **Community Courage Award** also will be presented and will take on additional significance. The award, which recognizes individuals who have made contributions both in the sports world and in the community, will now be named the "**Ricky Sandoval Award**" in honor of the late Lions' Director of Security who lost his battle with pancreatic cancer earlier this year.
