**HAVEN's START program receives SANE grant funding**

The first of June has been a cause for celebration at HAVEN! Over 8 years ago, HAVEN began a quest with then State Representative Dave Woodward to secure a stable source of funding for our forensic nurse examiner program as well as other such programs around the state. Dave had been involved with the creation of HAVEN's program, START (Safe Therapeutic Assault Response Team), and saw what a wonderful service it was providing to survivors of sexual assault. Dave was concerned that without a stable funding source, the program might not be able to survive and as a state representative came to learn about how such programs are not available across the State. **Our hats are off to two of our corporate supporters!**

We were thrilled to be a part of Comcast Cares Day on April 30<sup>th</sup>. Dozens of volunteers came out to our shelter to tackle a number of projects, including painting rooms and fences, preparing our garden for the growing season, organizing our storage spaces and cleaning our shared spaces. Two weeks later, ten volunteers from Ford Motor Company built a cold frame structure for the HAVEN Garden Project so we will be able to grow more produce. Ford paid for the structure through a MODEL Teams grant. Thank you for all the financial support and human power!
