About The Challenge

Art Van Furniture is supporting Michigan charities with The Million Dollar Charity Challenge. It began in 2009 to commemorate their 50th anniversary; the first 50 recipients shared a \$1 million donation from Art Van Furniture, and then went on to generate over \$4 million in challenge donations!

The 2010 program takes giving to the next level by letting the community help Art Van donate even more money! Art Van will award an additional \$25,000 to the charity with the highest vote total. PLEASE HELP HAVEN WIN!
