

2014 HAVEN Annual Report

Dear Friends –

As we close the books on another successful year at HAVEN, we are quickly looking forward to the year ahead, which brings a wonderful milestone in our history. In 2015, HAVEN will celebrate our 40th Anniversary!!

NEVER DOUBT THAT A SMALL GROUP OF THOUGHTFUL, COMMITTED PEOPLE CAN CHANGE THE WORLD. INDEED, IT IS THE ONLY THING THAT EVER HAS. ~ MARGARET MEADE

In **1975**, HAVEN was founded as Oakland County's first and only sexual assault counseling program as part of the YWCA of Pontiac Michigan. In **1977**, we broadened our services to include domestic violence, and in **1979** we housed our first battered woman. Due to the growth of our programs and the increasing need for our critical services, in **1982** HAVEN officially separated from the YWCA and became an independent agency.

Since those early days, we have been fortunate to have celebrated many successes. In **1998**, HAVEN was voted Best Managed Non-Profit by *Crain's Detroit Business*. In **2014**, we received a perfect quality assessment score from the Michigan Domestic and Sexual Violence Prevention and Treatment Board (MDSVPTB), and in doing so, we became the first agency in the 14-year history of the current MDSVPTB Quality Assurance Program to score 100 percent in the core standard section and meet or exceeded 100 percent of all advanced standards.

UNITY IS STRENGTH ... WHEN THERE IS TEAMWORK AND COLLABORATION, WONDERFUL THINGS CAN BE ACHIEVED. ~ MATTIE STEPANEK

This year as we recognize our 40th anniversary, we will also celebrate our steadfast and ongoing commitment to victims of domestic and sexual violence. By the end of 2015, HAVEN will move into our new Family Justice Center. However, more than just building a new facility, we are changing the fundamental way in which we provide services (read more on page 11), and in order to make this dream a reality, we have been working in earnest to secure \$5 million in funding from individuals, corporations and foundations who are committed to ending domestic and sexual violence. Today, we are thrilled to share with you that we have successfully secured roughly \$4.5 million and construction is well underway!

COMING TOGETHER IS A BEGINNING. KEEPING TOGETHER IS PROGRESS. WORKING TOGETHER IS SUCCESS. ~ HENRY FORD

For those of you who have already made a commitment to the campaign, we are forever grateful for your dedication to HAVEN and to our future! For those of you who have yet to support the project, we ask that you take a moment to consider how you might help. Your donation will not only ensure another 40 years of high-quality programming for victims of domestic and sexual violence, but more importantly, it will go a long way towards helping us end this horrible epidemic that affects 1 in 3 Michigan families.

At HAVEN, we work each day to create a community - and a world - where individuals do not live in fear inside of their own homes. But, the truth is, last year we provided shelter, counseling, advocacy and educational programming to nearly 30,000 people. Unless something drastic happens, next year... and the year after...and the year after that...we will see these numbers grow.

About HAVEN

As Oakland County's only comprehensive program for victims of domestic violence and sexual assault, HAVEN provides shelter, counseling, advocacy and educational programming to nearly 30,000 people each year.

Vision

HAVEN, a nationally recognized nonprofit leader in Oakland County, promotes a world of safe, equal and accountable communities where sexual assault and domestic violence do not exist.

Mission

To eliminate sexual assault and domestic violence and to empower survivors through advocacy and social change in and around Oakland County.

2013 / 2014 Outcomes

HAVEN Programs

What we do and who we help

Crisis and Support Line

The Crisis and Support Line is open around the clock, 365 days per year. The support line provides crisis intervention, understanding and support, referrals and information to those affected by domestic and sexual violence. Trained counselors answered [3,818 calls and 318 online chats](#) in 2014.

Residential Program

Our Residential Program is Oakland County's only 24-hour emergency shelter exclusively for domestic violence and sexual assault victims and their children. In 2014 we provided safe housing and therapeutic services to [173 adults and 178 children](#) so they could leave their abusers and begin to heal.

START (Safe Therapeutic Assault Response Team)

Forensic Nurse Examiners and First Responders provide a comprehensive forensic exam and compassionate emotional support for victims of sexual assault. In 2014, these practitioners provided [160 victims](#) with exams, therapeutic medical care, evidence collection, and emotional support.

Social Action

Advocates provide support and education for victims moving through the legal system. First Responders provide immediate crisis intervention and emotional support for victims and their families at Oakland County hospitals and police stations following an assault. In 2014, advocates helped [3,032 victims](#) to develop a safety plan, access resources, and learn about their rights. Advocates also assisted [453 victims](#) with personal protection orders last year and accompanied them to legal proceedings.

HAVEN Programs (Continuation)

What we do and who we help

Counseling Program

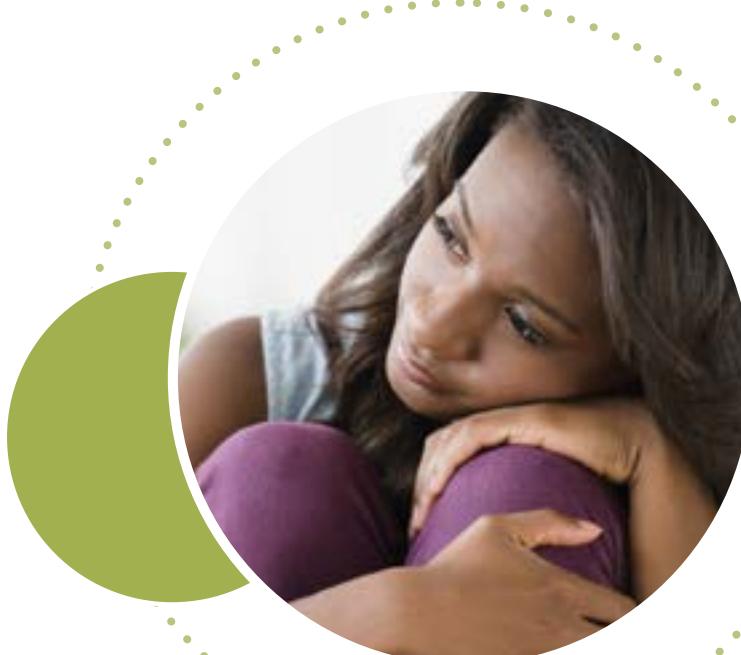

The non-residential Counseling Program serves children and adults that have been affected by domestic violence and sexual assault. Specialized groups and individual counseling provide information, support, and insight into the dynamics of abuse and the myriad of feelings and issues that accompany it. Last year, [770 adults and 120 children](#) participated in therapy at HAVEN for sexual and domestic violence.

Prevention Education

Trained educators work with young people, their teachers and parents to equip them with the tools to build relationships based on mutual respect and to understand what consent means. Educators also provide professional training to members of the general public on the dynamics of domestic and sexual violence, and the root causes of violence against women. Last year, HAVEN educated [12,914 people through 352 presentations.](#)

Volunteers and Interns

In 2014, volunteers and interns worked [13,211 hours](#) through direct and indirect support in all HAVEN programs.

HAVEN Success Stories

FELICIA

Felicia*, first saw her HAVEN counselor when she was 24 years old. She was a single mom without an income who had just recently left her abuser. While working with her HAVEN counselor, Felicia learned to set clear and healthy boundaries with others, cope with tremendous difficulties in co-parenting with her batterer, and feels more empowered to advocate for herself. She has since found a full-time job with the support of HAVEN and is well on her way to rebuilding her life.

GERTIE

Gertie*, a senior citizen who lived independently in Oakland County, experienced the horror of being repeatedly sexually assaulted by the same assailant, who threatened her that he would return to rape her again and again until he was caught. She came to HAVEN's Safe Therapeutic Assault Response Team (START) after the second assault. HAVEN's First Response Advocate provided support and informed Gertie of services that would assist her with her healing process. The forensic nurse provided a medical forensic examination; collecting evidence that helped the detective find the assailant. The assailant pled guilty without a trial and Gertie was able to begin the next step in her recovery.

HAVEN Programming Updates

- Our Counseling Program added a Mindful Parenting session to help mothers and children heal from domestic violence.
- We joined the newly formed Oakland University Violence and Abuse Resource Consortium. This clearing house for antiviolence information benefits HAVEN because it connects students, faculty, and practitioners who are all engaged in anti-violence work.
- We began a new partnership with Lakeshore Legal Aid funded by the Federal Office on Violence Against Women and the U.S. Department of Justice. Through this partnership, specially trained staff served 49 survivors of sexual assault with their civil legal needs including child support/spousal support, custody, wrongful termination and more.
- We expanded our volunteer corp by adding a program through which trained, professional volunteers provide career counseling to clients.
- With information gained at the Advocacy Learning Center in Minnesota, HAVEN staff began conducting listening sessions to address barriers related to victims of domestic and sexual violence accessing services.
- Two of HAVEN's Sexual Assault Nurse Examiners earned certificates in advanced strangulation identification. Precise identification of strangulation injuries aid in prosecuting and convicting people who commit this crime.
- HAVEN's Diversity Team hosted specialized trainers who helped staff learn how to better serve Hindu survivors.
- A Leadership Institute was formed internally and provided participating staff with opportunities to increase leadership skills and improve mentoring.
- 214 families, including 503 children participated in our 28th Annual Gift Giveaway. New, unwrapped gifts were collected, and individuals who received HAVEN services in the past year were invited to select special gifts.

Plant the Seeds of Hope

Since 2010, HAVEN has been diligently striving towards a new, more effective way to treat and prevent domestic violence and sexual assault. We are thrilled to share that our dream is nearly a reality!

In the fall of 2014, we broke ground on a 36,000 square foot facility that will provide comprehensive services for victims, their children and the community. Far from just bricks and mortar, HAVEN's new home will transform the way we work and, more importantly, the way we assist victims of domestic and sexual violence. Not only will all of HAVEN's services now be offered from one main location, but we have also worked to strengthen partnerships with law enforcement, legal services, health care providers, employment resources, transitional housing and many others in order to bring additional services directly to our clients. Our new facility will literally wrap victims and their families in the help they need to transition from fear and dependency to safety and independence.

While we are extremely proud of our accomplishments, we are also incredibly grateful for the outpouring of financial support we have received from hundreds of caring community members. As we kick-off 2015, we have raised roughly \$4.5 million of the \$5 million needed to make our dream come true. With only \$500,000 left to raise, we are confident that additional community members will step forward to partner with us on this exciting endeavor. There are many opportunities to participate at all levels of giving....from \$5 to \$500,000 your gift will directly impact our efforts and, more importantly, will help save a life.

To help us build a new HAVEN, please contact Rachel Decker, Director of Development and Capital Campaign at 248-322-3703 or rdecker@haven-oakland.org. You can also learn more at www.haven-oakland.org/campaign.

We look forward to welcoming you to 801 Vanguard Drive later this year!
