Report on the Financial Statements

We have audited the accompanying combining financial statements of HAVEN, Inc. and HAVEN Foundation which comprise the combining statements of financial position as of September 30, 2016, and the related combining statements of activities, functional expenses - HAVEN, Inc., expenses – HAVEN Foundation, and combining statement of cash flows for the year then ended, and the related notes to the combining financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the combining financial statements referred to above present fairly, in all material respects, the financial position of HAVEN, Inc. and HAVEN Foundation as of September 30, 2016, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters:

Report on Summarized Comparative Information

We have previously audited HAVEN, Inc.'s and HAVEN Foundation's September 30, 2015, combining financial statements, and our report dated January 20, 2016 expressed an unmodified opinion on those financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended September 30, 2015 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Report on Schedule of Expenditures of Federal Awards

Our audit was conducted for the purpose of forming an opinion on the combining financial statements as a whole. The schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated on January 24, 2017 our consideration of HAVEN, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering HAVEN, Inc.'s internal control over financial reporting and compliance.

Basis of Accounting

A summary of the significant accounting policies is as follows:

The balances of the long-term endowment are held by the Community Foundation for Southeastern Michigan and are included in beneficial interest in assets held by others on the statement of financial position. Notes to the Financial Statements
September 30, 2016
(With Summarized Comparative Information for 2015)

Investments

Investments are recorded at fair market value. Unrealized gains and losses are recorded for the difference between costs and market value. See Note 4 for a summary of investments.

Inventories

Inventories consist of supplies and printed materials and are valued at the lower of cost (first in, first out) or market.

Pledges

Pledges are recorded as receivables and allowances are provided for amounts estimated to be uncollectible. Management has estimated uncollectible pledges to be 6% and 1% for the years ended 2016 and 2015, respectively.

Prepaid Items

Certain payments to vendors reflect costs applicable to future fiscal years. For such payments the Organization follows the consumption method, and they therefore are capitalized as prepaid items in the financial statements.

Land, Building and Equipment and Depreciation

Land, building, and equipment are recorded at cost when purchased and at estimated fair market value as determined by management when donated. HAVEN capitalizes all expenditures for property and equipment in excess of \$ 1,000. Depreciation on building and equipment is provided on a straight-line basis over the estimated useful lives of the assets (3 to 40 years). See Note 10.

Long-Lived Assets

HAVEN evaluates long-lived assets for impairment using a discounted cash flow method whenever events or changes in circumstances indicate that the carrying amount of an asset may not

be recoverable in accordance with accounting principles generally accepted in the United States of America.

Grant Revenue

Reimbursement grants are earned and revenue is recognized when HAVEN has incurred qualifying expenses in compliance with the grant. Such amounts received, but not yet earned, are reported as deferred revenue.

Contributions

HAVEN reports contributions received, including unconditional promises to give, in the period received or promised. Contributions without donor-imposed restrictions and contributions with donor-imposed time or purpose restrictions that are met in the same time period as the gift are both reported as unrestricted support. Contributions are recorded as temporarily restricted if they are received with donor stipulations or time restrictions that limit their use or permanently restricted if the principal amount of such contributions are restricted in perpetuity. When a donor or time restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities and changes in net assets as net assets are released from restrictions.

In-kind Contributions

For the year ended September 30, 2016, donated goods of \$ 264,754 and services of \$ 108,859 are reflected as contributions in the accompanying statements at their estimated fair market value. For the year ended September 30, 2015, donated goods of \$ 210,350 and services of \$ 205,804 are reflected as contributions in the accompanying statements at their estimated fair market value. Contributed services are primarily provided by counselors and for project management services related to the capital campaign, while donated goods consist primarily of clothing, holiday gifts, toiletries, and household items. The related expenditures are allocated based

HAVEN, Inc.
and HAVEN Foundation

on their natural classification. All programs of HAVEN benefit from the donated goods and services, while the donated facilities are allocated based upon the programs that utilize the facilities.

HAVEN Foundation received donated equipment of \$ 0 and \$240,261 for the fiscal years 2016 and 2015, respectively, which is reflected as contributions in the accompanying statements at their estimated fair market value. This is a non-cash transaction for the statement of cash flows purposes.

Allocation of Functional Expenses

Costs of providing the program and support services have been reported on a functional basis in the statement of activities and changes in net assets and the statement of functional expenses. Costs have been allocated between the various programs and supporting services on several bases and estimates. Although the methods of allocation used are considered appropriate, other methods could be used that would produce different amounts.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expense during the reported period. Accordingly, actual results could differ from those estimates.

Comparative data

The financial information for the year ended September 30, 2015, presented for comparative purposes only, is not intended to be a complete financial presentation.

Note 7 - Fair Value Measurements

The following table presents information about the HAVEN's assets measured at fair value on a recurring basis at September 30, 2016 and 2015, along with the valuation techniques used by the Institute to determine those fair values.

Basis of Fair Value Measurement

Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

(With Summarized Comparative Information for 2015)

Level 2 – Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable either directly or indirectly;

Level 3 – Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a market value summary by the level of inputs used, as of September 30, 2016, in evaluating HAVEN's assets carried at fair value. The inputs or methodology used for valuing securities may not be an indication of the risk associated with investing in those securities.

	Level 1: Quoted markets for identical assets	Level 2: Significant observable inputs	Level 3: Significant unobservable inputs	Total September 30, 2016
Endowment funds	\$ -	\$ -	\$ 194,729	\$ 194,729

	<u>\$ 1,642,656</u>	<u>\$ -</u>	<u>\$ 194,729</u>	<u>\$ 1,837,385</u>

The following is a market value summary by the level of inputs used, as of September 30, 2015:

	Level 1: Quoted prices in active markets for identical assets	Level 2: Significant observable inputs	Level 3: Significant unobservable inputs	Total September 30, 2015
Endowment funds	\$ -	\$ -	\$ 182,359	182,359

	<u>\$ 1,515,411</u>	<u>\$ -</u>	<u>\$ 182,359</u>	<u>\$ 1,697,770</u>

The Level 3 inputs are determined by the fair value of the assets held at the Community Foundation; accordingly, there is no significant observable inputs. The valuation is based on assumptions about the present value of the distributions to be received from the endowment funds (see Note 8).

Changes in Level 3 Assets Measured at Fair Value on a Recurring Basis:

Single Audit Report

Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With *Government Auditing Standards*

Independent Auditors' Report

To Management and the Board of Directors
HAVEN, Inc.
Pontiac, Michigan

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of Haven, Inc. as of and for the year ended September 30, 2016, and the related notes to the financial statements, which collectively comprise HAVEN, Inc.'s basic financial statements, and have issued our report thereon dated January 24, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered HAVEN, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of HAVEN, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of HAVEN, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether HAVEN, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report on Compliance For Each Major Federal Program; Report on Internal Control Over Compliance Required by the Uniform Guidance

Independent Auditors' Report

To Management and the Board of Directors
HAVEN, Inc.
Pontiac, Michigan

Report on Compliance for Each Major Federal Program

We have audited HAVEN, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of HAVEN, Inc.'s major federal programs for the year ended September 30, 2016. HAVEN, Inc.'s major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of HAVEN, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about HAVEN, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of HAVEN, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, HAVEN, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2016.

Report on Internal Control Over Compliance

Management of HAVEN, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered HAVEN, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of HAVEN, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

The accompanying schedule of expenditures of federal awards (SEFA) includes the federal award activity of HAVEN, Inc. under programs of the federal government for the year ended September 30, 2016. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Note 2 - Summary of Significant Accounting Policies

Expenditures

Expenditures reported on the Schedule are reported on the accrual basis of accounting.
