#### **Independent Auditors' Report**

Board of Directors HAVEN, Inc. Pontiac, Michigan

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of HAVEN, Inc., which comprise the statement of financial position as of September 30, 2014, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of HAVEN, Inc. as of September 30, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Other Matters:

#### **Report on Summarized Comparative Information**

We have previously audited HAVEN, Inc.'s September 30, 2013, financial statements, and our report dated January 6, 2014 expressed an unmodified opinion on those financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended September 30, 2013 is consistent, in all material respects, with the audited financial statements from which it has been derived.

#### **Report on Supplementary Information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of expenditures of federal awards, as required by *Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations* is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated on January 7, 2015 our consideration of HAVEN, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering HAVEN, Inc.'s internal control over financial reporting and compliance.

#### Note 1 - Summary of Significant Accounting Policies

#### Organization Purpose

HAVEN, Inc. (HAVEN) is a not-for-profit corporation organized to serve victims of domestic violence, and sexual assault in Oakland County, Michigan, through counseling, shelter, and educational programs. HAVEN receives the majority of its revenue from grants and contributions.

#### Tax Status

HAVEN is exempt from federal income taxes under Section 501(c)(3) of the United States Internal Revenue Code and has been classified by the Internal Revenue Service as a corporation that is not a private foundation.

HAVEN files income tax informational returns in the U.S. federal jurisdiction, and a state jurisdiction. The statute of limitations is generally three years for federal returns, and four years for Michigan returns.

#### **Basis of Accounting**

The financial statements of HAVEN are presented on the accrual basis of accounting and transactions are recorded based on the nature of the activity (unrestricted, temporarily restricted, and permanently restricted). A summary of the significant accounting polices is as follows:

<u>Unrestricted Activities</u> – Unrestricted activities of HAVEN consist of the general operations of HAVEN. Board-designated net assets are unrestricted net assets designated by the Board. These board-designated net assets consist of \$241,422 and \$217,059, the majority of which is for long-term endowment as of September 30, 2014 and 2013, respectively. The balances of the long-term endowment are held by the Community Foundation for Southeastern Michigan and are included in beneficial interest in assets held by others

on the statement of financial position. These designations are based on Board actions, which can be altered or revoked at a future time by the Board.

<u>Temporarily Restricted Activities</u> – Temporarily restricted activities of HAVEN consists of contributions received that are restricted as to the use as specified by the donor or time restrictions on promises to give. The restrictions expire when the purpose of the restriction has been accomplished or the time restriction has expired. Capital campaign net assets are restricted as to time and purpose as of year end.

<u>Permanently Restricted Activities</u> – Permanently restricted net assets consist of contributions where the principal is restricted in perpetuity by a donor. As of September 30, 2014 and 2013, HAVEN had no permanently restricted net assets.

#### Cash and cash equivalents

Cash and cash equivalents include bank accounts and other highly liquid investments at September 30, 2014 and 2013.

#### Investments

Investments are recorded at fair market value. Unrealized gains and losses are recorded for the difference between costs and market value. See Note 3 for a summary of investments.

#### <u>Inventories</u>

Inventories consist of supplies and printed materials and are valued at the lower of cost (first in, first out) or market.

#### <u>Pledges</u>

Pledges are recorded as receivables and allowances are provided for amounts estimated to be uncollectible. Management has estimated uncollectible pledges to be <1% and 2% in the years ended 2014 and 2013, respectively.

#### Notes to Financial Statements September 30, 2014

#### Land, Building and Equipment and Depreciation

Land, building, and equipment are recorded at cost when purchased and at estimated fair market value as determined by management when donated. HAVEN capitalizes all expenditures for property and equipment in excess of \$1,000. Depreciation on building and equipment is provided on a straight-line basis over the estimated useful lives of the assets (3 to 20 years).

#### Long-Lived Assets

HAVEN evaluates long-lived assets for impairment using a discounted cash flow method whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable in accordance with accounting principles generally accepted in the United States of America.

#### **Grant Revenue**

Reimbursement grants are earned and revenue is recognized when HAVEN has incurred qualifying expenses in compliance with the grant. Such amounts received, but not yet earned, are reported as deferred revenue.

#### **Contributions**

**HAVEN** contributions reports received. including unconditional promises to give, in the period received or promised. Contributions without donor-imposed restrictions and contributions with donor-imposed time or purpose restrictions that are met in the same time period as the gift are both reported as unrestricted support. Contributions are recorded as temporarily restricted if they are received with donor stipulations or time restrictions that limit their use or permanently restricted if the principal amount of such contributions are restricted in perpetuity. When a donor or time restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities and changes in net assets as net assets are released from restrictions.

#### In-kind Contributions

For the year ended September 30, 2014, donated goods of \$216,029 and services of \$190,569 are reflected as contributions in the accompanying statements at their estimated fair market value. For the year ended September 30, 2013, donated goods of \$199,976 and services of \$155,721 are reflected as contributions in the accompanying statements at their estimated fair market value. Contributed services are primarily provided by counselors and for project management services related to the capital campaign, while donated goods consist primarily of clothing, holiday gifts, toiletries, and household items. The related expenditures are allocated based on their natural classification. All programs of HAVEN benefit from the donated goods and services, while the donated facilities are allocated based upon the programs that utilize the facilities.

#### Allocation of Functional Expenses

Costs of providing the program and support services have been reported on a functional basis in the statement of activities and changes in net assets and the statement of functional expenses. Costs have been allocated between the various programs and supporting services on several bases and estimates. Although the methods of allocation used are considered appropriate, other methods could be used that would produce different amounts.

#### Notes to Financial Statements September 30, 2014

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expense during the reported period. Accordingly, actual results could differ from those estimates.

#### Comparative data

The financial information for the year ended September 30, 2013, presented for comparative purposes only, is not intended to be a complete financial presentation.

#### Reclassifications

Certain accounts in the prior-period financial statement have been reclassified for comparative purposes to conform to the presentation in the current-year financial statements, none of which are material.

#### Note 5 - Fair Value Measurements

The following table presents information about the HAVEN's assets measured at fair value on a recurring basis at September 30, 2014 and 2013, along with the valuation techniques used by the Institute to determine those fair values.

#### Basis of Fair Value Measurement

Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 – Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable either directly or indirectly;

Level 3 – Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a market value summary by the level of inputs used, as of September 30, 2014, in evaluating HAVEN's assets carried at fair value. The inputs or methodology used for valuing securities may not be an indication of the risk associated with investing in those securities.

	Quoted markets for identical assets		Le	evel 2:	 Level 3:		
			ts for Significant observable		ignificant observable inputs	Total September 30, 2014	
Endowment funds	\$	-	\$	-	\$ 197,824	\$	197,824
Mutual funds-		1,705,929		-			1,705,929
equity securities	\$	1,705,929	\$	-	\$ 197,824	\$	1,903,753

The Level 3 inputs are determined by the fair value of the assets held at the Community Foundation; accordingly, there is no significant observable inputs. The valuation is based on assumptions about the present value of the distributions to be received from the endowment funds (see Note 6).

#### Notes to Financial Statements September 30, 2014

# Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With Government Auditing Standards

#### **Independent Auditors' Report**

To Management and the Board of Directors HAVEN, Inc.
Pontiac, Michigan

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of HAVEN, Inc. as of and for the year ended September 30, 2014, and the related notes to the financial statements, which collectively comprise HAVEN, Inc. 's basic financial statements, and have issued our report thereon dated January 7, 2015.

#### **Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered HAVEN, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of HAVEN, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of HAVEN, Inc.'s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether HAVEN, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

#### Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of HAVEN, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about HAVEN, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of HAVEN, Inc.'s compliance.

#### Opinion on Each Major Federal Program

In our opinion, HAVEN, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2014.

#### **Report on Internal Control Over Compliance**

Management of HAVEN, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered HAVEN, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of HAVEN, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.
