

HAVEN PLAYGROUND *Fund*

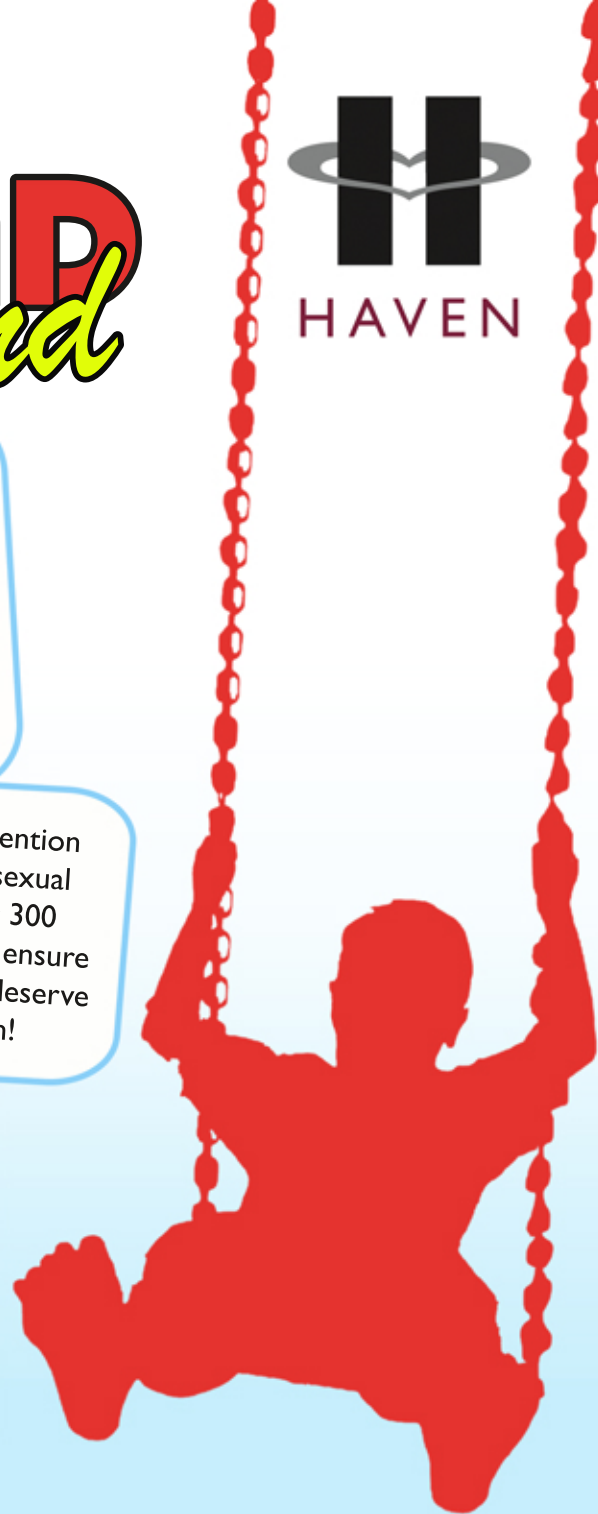

Did you know that nearly three quarters of women who are abused by their husbands/boyfriends have children? Children who witness violence in their home often blame themselves for the violence, experience guilt for loving their father, and have an overwhelming sense of responsibility to protect their mother. However, despite the tremendous effect of witnessing domestic violence, children are capable of remarkable recovery and resiliency given the proper tools, support and opportunity.

As Oakland County's center for the prevention and treatment of domestic violence and sexual assault, HAVEN provides support to over 300 children annually. Now is your chance to ensure that these kids have what they want and deserve the most – a childhood that is safe and fun!

By supporting our Playground Fund, you can help make a child's stay at HAVEN filled with fun instead of fear. **From \$10 to \$10,000 – every dollar will be directed towards a new, state-of-the-art playground which will provide a safe, therapeutic space for our children to play outdoors.**

Simply mail a check with 'playground fund' in the memo line to HAVEN Foundation at 801 Vanguard Dr., Pontiac MI 48341. Or, you can donate online at www.haven-oakland.org/donate. Be sure to select playground fund from the drop down menu.

While contributions are needed and appreciated at all levels. Gifts of extraordinary generosity may be recognized with permanent naming rights to specific play structures.
