

SPONSOR A HAVEN GARDEN SHARE

Many small farmers use a model called “CSA Shares” to offset their costs by selling “shares” of the produce they grow to members of their community. Farmers use the funds raised to purchase seeds, compost, tools and labor needed to plant fields in spring.

Inspired by the CSA Share model, HAVEN is introducing a program that allows supporters to purchase a “share” in HAVEN’s organic garden, which provides organically-grown fruits, vegetables, herbs, and flowers to survivors living in the shelter. As a Shareholder, you will be contributing your garden “share” of fresh produce to HAVEN clients. You will also be encouraged to visit the HAVEN Garden Project throughout the season (May through November).

I’D LIKE TO BECOME HAVEN GARDEN PROJECT SHAREHOLDER:

- \$500 — Recurring yearly shareholder donation, provides consistent support for the garden
- \$500 — One time shareholder donation (you can renew yearly by calling HAVEN)
- \$_____ Other donation amount to go towards the HAVEN Garden Project

Name as shown on credit card: _____

VISA Mastercard AMEX Discover

Credit card #: _____ CVV: _____ Expiration Date: _____

Check enclosed payable to HAVEN Foundation.

Name you’d like shown on acknowledgement: _____
